MCAA T&F League – Field Officials' Duties, 2026 DIVISIONAL MATCHES ONLY

Dated: 6/4/2026

NOTE: The 2024, 2025 and now 2026 timetables give more time for the long throws as requested at the 2023 AGM. This means in allocating field duties (where there needs to be sufficient time for officials to move to the next event in time to oversee the warm-up) we unfortunately cannot offer good variety of events for all field teams at all matches. We have tried to mix across matches though.
