

Parking

Additional parking is now available opposite the leisure centre, however please park responsibly to not risk future use.

On Street parking from the south of the site:

We primarily advise parking on the roads of the Sydenham Ind est, primarily St Mary's road, Casewell road—post code CV31 1PR. Gainsborough Drive—CV31 1NL, but this is residential so please park responsibly. Approx all under 0.6 miles for pavilion.

Directions to pavilion: Walk north back along Sydenham road, cross Radford road and enter park through car park to right hand side of allotments.

On Street parking from the north of the site:

Please do not park on Buckley road, it is extremely narrow bus route in a residential area. We recommend parking responsibly in Gresham place, Whitethorn road, Chestnut square—CV32 7UW. Champion road and Villers road are also good options as there is a footpath through to Chestnut square - CV32 5YE.

From Villers road: Go up the steps on the corner of Champion and Villers road, this will bring you out in Chestnut square, move across the square, up Whitethorn road, turn right up Gresham place and follow the footpath,. This brings you out opposite Champion hills, follow the footpath across Champion hills, through the woods, this brings you out into the park at the edge of the course. As you walk down hill there is a pub on your left, continue on the path to the pavilion.

On Street parking from east of site:

Parking is extremely limited on Newbold Terrace East; it is vital that we maintain access to the venue. There is now additional parking by Newbold Comyn leisure centre CV32 4EW. Some spaces nearer the pavilion will be reserved for officials and get used up quickly by the arrivals for the first race.

Newbold Comyn
Royal Leamington Spa**

Dear Team managers, officials and athletes

Leamington Cycling and Athletics Club and our partner Warwick District Council are once again delighted to be inviting you to Newbold Comyn country park for the fourth fixture of the Midland Women's Cross country League on Saturday 19 February 2022.

We have included all the usual elements, the beacon and the ditch which make Newbold such a varied cross country course, the course is a two lap course which we are confident will prove interesting and popular with athletes.

This booklet covers all the important aspects of your day with us, so please read it carefully.

The Course

Travel

Parking is extremely limited and although considerate parking around the local roads should not be an issue we ask all competitors to consider using public transport and failing that to lift share or clubs to consider using coaches. The Race HQ and start is approx. 1.3 miles from the main railway station in Leamington spa, so this is really a viable option. Priority parking will be provided for coaches, please email chairman@leamingtoncac.org.uk to pre arrange. Drop off of tents will not be possible beyond the barrier.

Directions from Station: Turn left out of the station on to High St that goes through traffic lights and under the railway bridge. It become the Radford Road after 0.15 miles , follow the road for a further 0.5 miles until you reach the Sainburys local, the road turns to the right here, but continue, past the allotments. Just past the allotments is a car park entrance, turn left into the car park and follow the path, which will bring you to the pavilion.

Race Start time

The race start time will be 1.30pm

Catering

Hot drinks, cakes, sweets and chocolates will be available from the pavilion before and after the race.
