

# League Secretary's Report

- Hurray – league is back; 1500 athletes; league & divisional records
- Congratulations to club divisional champions
  - Gloucester, BRAT, Yate, Leicester Coritanians, Leamington, Newport
- Congratulations to the individual winners this year
  - Samantha Griffiths, Katie Holt, Jessica Waters, Elliot Powell, Cleo Martin-Evans, Lucy Jones, Natalie Griffiths, Charlotte Colbert
- Officials - we struggled; and at times were close to losing matches/events
- Some clubs have not recovered post pandemic; some really struggled to get teams out
- Facilities – certified and available venues were an issue in 2022
- Unacceptable behaviour on both the athletes' and officials' sides
- The clubs (through their AGM decisions) were positive in looking for innovations for the season

**Overall – I thought it went well; I was pleased to be involved**

# League Secretary's Report - concerns

- Officials
  - We struggled; and at times were close to losing matches/events
  - BUT – I was pleased how officials stepped in to help with shortages
- Some clubs have not recovered post pandemic
  - Some really struggled to get teams out
  - Three withdrew from the last match
- Facilities
  - Licenced and available venues were a real issue in 2022
- Unacceptable behaviour on both the athletes' and officials' sides

# League Secretary's Report – more cheer

- Around 720 athletes competed in each round – really good
- The clubs (through their AGM decisions) were positive in looking for innovations for the season
  - full male/female equality; photo-finish; regionalisation; bonus points; team flexibility; individual competitions; more mixed 4x4 slots
- I was pleased with the feedback on these

**Overall – I thought it went well; I was pleased to be involved**
