

The Association is sad to hear of the passing of a long-standing
Coventry Godiva Harrier, Dyfridd (Duff) Rees, at the age of 102!

Duff was an ardent supporter of our sport at all levels, a former Welsh International athlete who represented Wales at the 1958 Empire Games in Cardiff. After retiring as an athlete, he took on administrative roles within Godiva and assisted with Warwickshire and the Midlands.

Funeral – Canley Crematorium (Cannon Chapel)
