

It is with greatness that Midland Counties have heard about the passing of  
Graham White on 14th November 2025.

Graham was a timekeeper initially, with Leamington Cycling and Athletic Club  
officiating mainly at local and County level meetings and on occasions at Midland  
events.

More recently he devoted his officiating to Para-athletics events, in fact just a couple  
weeks before his death he was at a Blind Sport event at the University of Warwick.

We thank you for your dedication to athletics.

The funeral will take place at 1pm on 9th December at Rainsbrook Crematorium in Rugby.

Our thoughts are with Alison and the family.
